

# History - London

Year  
26th  
Swi

## **Sticky Knowledge**

The first Olympic Games was held in 776 BC.

London became the first city to host the modern Olympic Games three times

London also hosted the 1908 Summer Olympics and the 1948 Summer Olympics.

Nine cities had submitted bids to host the 2012 Olympics. These were Havana, Istanbul, Leipzig, London, Madrid, Moscow, New York, Paris, and Rio de Janeiro.

Athletes from 204 National Olympic Countries took part in the 2012 London Olympics.

The 2012 Summer Olympics event had 26 sports.

The Olympic games happen every 4 years.

How many medals did the GB Team win in London Olympics 2012?

Internatio

# Year 4 Knowledge Map Lent 1— 2025

Coming up this term....

Year 4 residential trip—Feb 24th - 26th and then  
 March—28th

Swimming will continue on a Monday PM. Please  
 make sure children have sensible shoes

Can you name some  
 Famous GB  
 athletes?

## Subject Specific Vocabulary

<b>adaptation</b>	How a living thing has adapted to fit its environment.
<b>amphibian</b>	Cold blooded, can live on land or in water, e.g. Frogs, newts, toads, salamanders.
<b>biodiversity</b>	The variety of plant and animal life in a particular habitat. (Warmer habitats have more biodiversity).
<b>classification</b>	The grouping together of similar species of living things. They have similar characteristics.
<b>exoskeleton</b>	A hard covering on the outside of the body (e.g. centipedes, ladybirds)
<b>invertebrate</b>	An animal lacking a backbone, such as an insect, mollusc or crustacean.
<b>mammal</b>	A warm-blooded vertebrate animal which usually has hair or fur, gives birth to live young and usually provides milk for their young.
<b>organism</b>	An individual animal or plant.
<b>reptile</b>	A cold blooded, vertebrate animal with dry scaly skin which lays eggs on land. E.g. snakes, lizards, crocodiles, turtles.
<b>vertebrate</b>	An animal with a backbone, e.g. mammal, fish, bird, reptile or amphibian.

## Sticky Living

- Living things (backbone)
- Vertebrates called mammals
- Invertebrate groups (insects, crustaceans)
- A classification sort living things
- Habitat
- Habitat for humans or climate
- If habitat decreases
- A habitat shelter for living things

# Science - Habi-

## Knowledge about Sorting Things and their Habitats

Things can be grouped into vertebrates (with a backbone) and invertebrates (no backbone)

Vertebrates can be divided into smaller groups such as mammals, amphibians, birds, fish, reptiles

Invertebrates can be divided into smaller groups such as insects, molluscs and crustaceans

A classification key uses yes/no questions to identify things

Habitats can change through the seasons

Habitats can be damaged or destroyed by human activities (e.g. deforestation), natural disasters and climate change

When habitats change, this can cause a species to become extinct or increase

A habitat is a place which has the right food, shelter and weather conditions for a particular species to live in

Lets go for a walk....We will be going to our local fields and woodlands for a walk. Lets see what we can find?

# Maths

This term we will be finishing our

looking at geometry and measurements.

## Units of Measure for Perimeter

<b>km</b>	1 kilometre = 1000 metres
<b>m</b>	1 metre = 100 centimetres
<b>cm</b>	1 centimetre = 10 millimetres
<b>mm</b>	

Remember, you must log onto TTRS regularly in order to achieve your Rockstar status!

# English

This term we will be looking at two new books in

The first text is to 'inform' - this will be newspaper

Followed by, 'persuasive texts', looking at travel

Inform—the book we will be looking at is Real-Life  
neau and Vicky Barker

Persuasive text—the book we will be looking at is  
Daniel Mizielski; Africa, Amazing Africa by Atinu  
sell Williams & India, Incredible India by Jasbinder

capacity and volume	millilitres (ml) litres (l)	

**Area and Perimeter**

Area is the amount of space inside a 2D shape.

We can count squares to find the area of a rectilinear shape.

Perimeter is the total distance around the outside of a 2D shape.

# Music
